

DONOR TAX RECEIPT

Our name is our mission, which is to shine **truth** and **light** into the world of hurting children by putting James **1:27** into action. We are a 501(c)(3) Non-Profit Organization here to serve the needs of the underprivileged. We want to stop the flow of children from “aging out” of the system and keep them in a stable home while in the system; preventing them from becoming a statistic of hopelessness.
